Colors/Shapes: I guess for \$3 it's okay (3/5 stars) I bought these color/shape cards for my baby. Have to say I was disappointed in the quality even if it was \$3. The coloring on all of them are very fuzzy and cheap. I don't know why they can get the words colored perfectly meanwhile the shapes are sloppily pasted on the cards.

I absolutely love these cards! I am trying to teach my 21 month old son his shapes and colors. These cards are made on a durable card stock type material, with the name of the color, the shape and the color itself. The colors are nice and bright. The best part is that each color has each shape! So, for example, it is not just a red square.
