You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

Empires In World History Power

"Empires in World History provides a powerful teaching tool for framing the sometimes fluid and complex relationships between empires and nation-states, subjects and citizens, inclusion and exclusion. . . . This book will likely prove most useful in graduate courses in empire and/or world history and to teachers who are seeking a way to teach about empire without simply jumping from one to the next."
