Lancaster police chief forced to resign after wife made ...

(In fact, I think being a submissive wife takes a very strong, confident woman.) So about 8 weeks ago, without saying a word to my husband, I started my own submissive wife experiment. I took a few points from the show and adapted them into my own marriage. It has been amazing! Here are a few of the changes I've made: 1.

My submissive wife experiment: 5 things that are changing ...

Physical differences in my wife are becoming more apparent by the day. At first it was the removal of hair, the application of makeup, and the growth of her head hair. Then came the changes of medical transition: the growth of breasts, the development of hips and a waistline, and the softening of her facial features.
