While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Foucault Live Collected Interviews 1961

Most notably, Foucault Live includes interviews he made with the gay underground press during his stays in America during the 1970s. In them, Foucault suggests that homosexuality presents a new paradigm for ways of living beyond the predictable, binary couple. All of the philosopher's interests, from madness and delinquency to film and ...
