Trimester means 3 months. A normal

Acces PDF Gabbe Normal And

pregnancy is around 9 months and has 3 trimesters. Your health care provider may talk about your pregnancy in weeks, rather than months or trimesters. The third trimester goes from week 28 through week 40.

Prenatal care in your third trimester: MedlinePlus Medical

...

Labor induction — also known as inducing

Acces PDF Gabbe Normal And

labor — is the stimulation of uterine contractions during pregnancy before labor begins on its own to achieve a vaginal birth. A health care provider might recommend labor induction for various reasons, primarily when there's concern for a mother's health or a baby's health.

**Labor induction -
Mayo Clinic**

Polyhydramnios (pol-e-hi-DRAM-nee-os) is the excessive accumulation of amniotic fluid — the fluid that surrounds the baby in the uterus during pregnancy. Polyhydramnios occurs in about 1 to 2 percent of pregnancies. Most cases of polyhydramnios are

Acces PDF Gabbe Normal And

mild and result from a gradual buildup of amniotic fluid during the second half of pregnancy.
