Mercury Outboard Wiring diagrams -- Mastertech Marin

Mercury is more of a leisure boating brand, and Mariner is more a fishing-centric nameplate. The OEM outboard parts inside are the same. How is a Mercury outboard different from a Mercury race outboard? The Mercury race outboard uses different engineering inside and often includes lighter materials like carbon fiber in its construction.

I'm looking for a manual for a 4 HP 2-stroke Mercury outboard from 1981. It's Belgian made, two cylinder, serial # 9321742, although Mercury advised that I'd need to put a zero before the serial number (so, 09321742). I believe it's model 4200 (or 1004200). Thanks, Steve #46. branden crowell (Saturday, 20 June 2020 05:42)
